Two Day Training Workshop on SEO

TECHELEX Innovation Ahead was conducted Workshop on “**Search Engine Optimization**” (26th& 27th August 2015).The objective of the SEO Workshop was to evaluate engineering students skills and knowledge of SEO (Search Engine Optimization) is up to date. This course provides a comprehensive training on basic skilled required for programming and managing of SEO, HTML, WEB Designing systems. The SEO Workshop commenced with a Welcome address HOD (CSE) Prof. Auti R A & CSE Staff Members, The TECHELEX Team Members was Mr. Mohammad Asgar (Head, R&D Engineer), Masood Alam (Web Designer), Piyush N. Jha (Project Consultant).

The Speaker's emphasized on the various skills that the students need to develop like knowledge, understand topic, presentation, communication & subject depth.

Industrial Expert Mr. Piyush N. Jha told the students that they should be implement the work in real time system and application. He also suggest Improve programming knowledge has become a fundamental requirement for engineers, to be successful in industries.

Students Showing Enthusiasm by paying attention at Two Day Training Workshop on
SEO

Students have shown the tremendous response after attending the lecture. And they were very thankful to the College for the workshop which help them to achieve and gain boost in their studies which was very helpful for their future.

One Day Seminar on Linux and File System

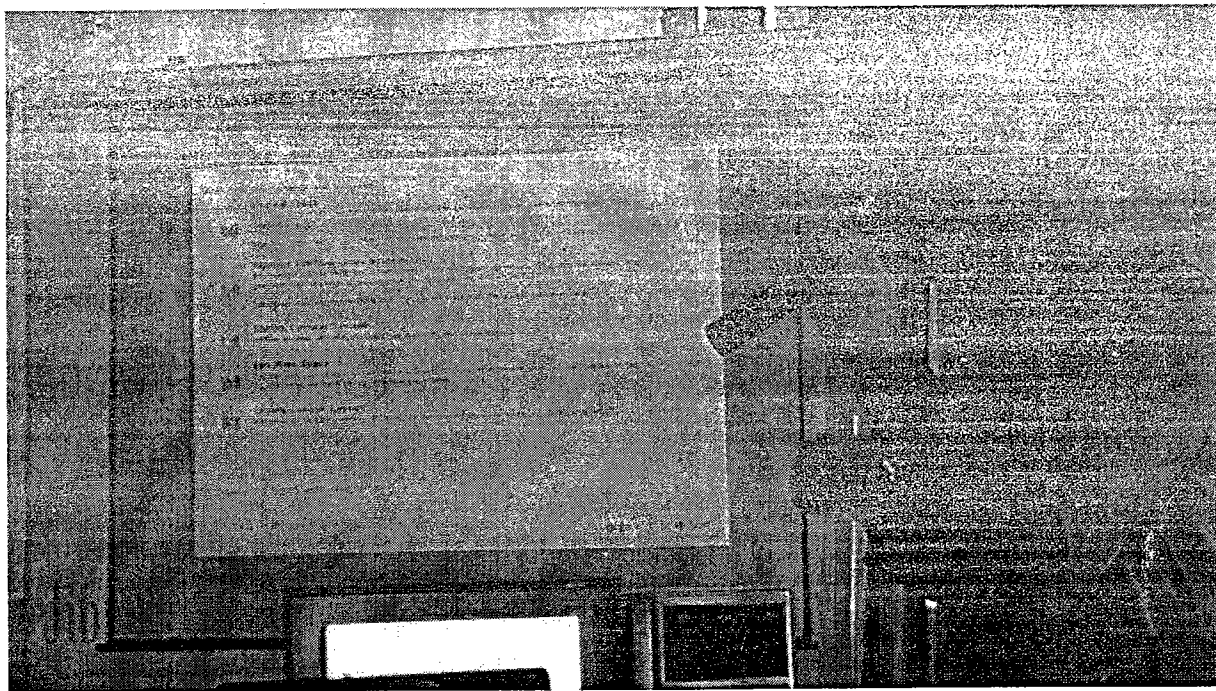

A one day seminar on “**Linux and File System**” was organized at seminar hall on Monday, 16th February 2015. **Mr.R.A.Auti** (HOD CSE Dept.) welcomes the staff and the students and introduce the program. The seminar was chaired by **Mr. Syed Tahire** from Androit InfoTech private limited Aurangabad. The main aspect of this seminar was about the Linux operating system the upgrading technology.

This seminar describes Cooperative Linux, a port of the Linux kernel that allows it to run as an unprivileged lightweight virtual machine in kernel mode, on top of another OS kernel. It allows Linux to run under any operating system that supports loading drivers, such as Windows or Linux, after minimal porting efforts. The paper includes the present and future implementation details, its applications, and its comparison with other Linux virtualization methods. Among the technical details, it also presents the CPU-complete context switch code, hardware interrupt forwarding, the interface between the host OS and Linux, and the management of the VM's pseudo physical RAM

Mr.Syed Tahire and authentication in Linux file system

He said that the system consists of a set of Windows driver's linux.sys. For example the colinux-daemon.exe --install-driver command will set up the Windows system. Use colinux-daemon.exe --remove-driver to remove the drivers then a CoLinux executable can be run to start the Linux virtual machine and also CoLinux Root Passwordthe CoLinux root password is strictly follows up with the protocols.

Mr. Syed Tahire ending the session at final glance

Finally Prof. Auti R A, Prof. Patil B k, Prof. Saad Siddiqui, Prof. Nagargoje Y R, Prof. Shaikh Arshad & Prof. Karwande V S work enthusiastically to make this Event Successful.

Report on SEMINAR ON "MOLDING PROCESSES"

"A SEMINAR ON "MOLDING PROCESSES"

Conducted at

EVEREST COLLEGE OF ENGINEERING & TECHNOLOGY

A Seminar on Molding Processes held on 26th February, 2015. The objective of this seminar was to give knowledge to students about the various types of molding processes such as plastic molding, sand molding injection molding, extrusion molding etc.

The chief guest of this function was Mr. Arnab Bhattacharya (Trainee Engineer, IGTR Aurangabad) Head of Mechanical Engineering Department Prof. R.D. Shelke felicitated the chief guest.

Mr. Arnab Bhattacharya emphasized on the introduction to different types of molds which are useful for producing plastic parts.

Mr. Arnab Bhattacharya told the students about various design courses as well as die & tool making courses run by the IGTR Aurangabad.

Shaikh Rahil, Akshay Khedkar, Govinda Chandran, Siddharth Kaplatia, Saber Khureshi, Shaikh Ismaile, Shaikh Azim, Shahebaz Khan & all the volunteers worked enthusiastically to make this Seminar successful.

WORKSHOP CONDUCTED BY MR. MOHAMMAD BILAL KHAN (MANAGING DIRECTOR DESIGN & DRAFT) IN THE CAMPUS OF EVEREST COLLEGE OF ENGINEERING AND TECHNOLOGY.

As a part of extracurricular activity for development of students of Electrical Engineering, a workshop was organized by Electrical Engineering Students Association (EESA) in the campus of Everest College of Engineering and Technology.

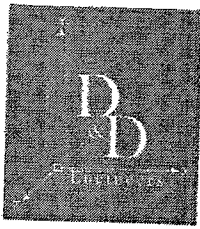

Mr. Mohammad Bilal Khan the managing director design & draft and chief guest of this function highlighted the students regarding electrical engineering requirements throughout the country and also explained them various terminologies for the same.

Mr. Bilal Khan then focused on HVAC and MEP for company's postings and shared his invaluable knowledge and his tremendous experiences.

This program was attended by Dr. M.V. Kulkarni, The principal ECOET, Prof. Sk Sohail, Head of Department Along with all staff members and Students of Electrical Engineering Department.

Respected sir,

With reference to your letter received on 20th feb.2017, I would like to assure you that we will be available on Saturday, 04 March 2017 at campus of Everest college of engineering and technology for conducting workshop on MEP and HVAC.

Further details regarding industrial trainer and workshop schedule will be mailed to you soon.

Thanking you,

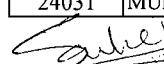

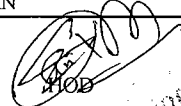

Warm regards

Progress report regarding two days Workshop on "Automobile and I. C. Engine"

Mr. Rakesh Sharma highlighted points during the workshop

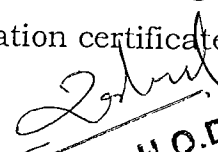

In the two days workshop on "Automobile and I. C. Engine." The lead speaker of workshop Mr. Rakesh Sharma, who is research fellow at IIT, Delhi & giving assistance to research fellows at IIT Guwahati with assisting speaker Mr. Yash Raj held on 13 & 14th Oct 2016 for Mechanical Engineering Students of Second Year, Third Year & Final Year.

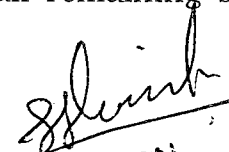

On the first day of workshop starts with inauguration program, in which Prof. R. D. Shelke felicitate the leading speaker Mr. Rakesh Sharma & Prof. shaikh Haseeb falicitate Mr. Yash Raj in the presence of all departmental HOD's, workshop Conveyor Prof. Shaikh Shoeb and participants from mechanical second, third and final year students. On the same day three sessions were conducted where all automobile parts of Cars and motor vehicle are discussed with modern trends.

Speaker demonstrating the different I. C. Engine Components

On the second day of workshop turns into more interesting sessions of I. C. Engine systems and their different parts and functions of the systems. In last session, he demonstrated the different parts of the engine by dis-assembling and assembling the actual automobile engine. The workshop concluded with the conducting competition in which top 20 students got the certificate of merit who will eligible for the next rounds of "Alcheringa 2016" which is going to organized in IIT, Guwahati and all remaining students got their participation certificates.

Proposal For Techvridhi'16 A National Level Championship in association with Alcheringa'16 IIT Guwahati.

2 messages

kumari madhubala <madhubala.techvridhi@gmail.com>

Wed, Sep 21, 2016 at 11:04 AM

To: haseeb14mech@gmail.com

Dear Sir/Madam,
Greetings from Techvridhi'16!

We, "**Team Techvridhi'16**" would like to entreat you to be a part of India's Biggest National Level Championship i.e. Techvridhi organized by **Technospecies Global Solution in association with Alcheringa'16 IIT Guwahati.**

Techvridhi'16 is 3 Stage Event wherein first stages training rounds will be held at selective engineering college / Universities / School pan India, there will be two days practical training on a particular module. Second stage the Competition(Prelims Round) will be held at the end of the training and all students will get certificate from Alcheringa'16 IIT Guwahati. In last Stage Winners of the Event Center will get Certificate of Merit from us and will go to represent their College/School in National Level Championship at IIT Guwahati during Alcheringa'17.

Grand finale of Techvridhi will be held in every year in the month of January.

We wish to select your college/school as an official '*Event Center*' of **Techvridhi'16** All Event Centers selected will get national wide publicity & recognition as an '*Official Event Center*' of **Techvridhi'16**.

All the Organizers (College/School/Coordinators/Professors/Director) of Event Center will also get a 'Letter of Appreciation'. We just need your College Infrastructure i.e. Seminar room. **No Financial Expenses to be borne by the hosting Institute.**

For further details please see the document attached.

Please be free to contact me for any kind of discussions related to this.

We are looking for positive response from your side.

P.S -:

The documents attached are as follows:-

- 1) Proposal of Techvridhi'16.
- 2) Type of Workshops
- 3) Format of Confirmation letter/Approval Letter

Regards

To,
The Manager,
TECHVRIDDHI'16
(A National level event organized by Technospecies Global Solution In association with Alcheringa'16, IITGuwahati)

Sub.: Confirmation letter to organize TECHVRIDDHI'16 workshop at our campus premises.

Dear sir/madam,

Refer to your proposal; we confirm that we would like to participate in TECHVRIDDHI'16 (A National level championship). The steps forward, you can conduct 1st level workshop at our Institute Everest College of Engineering and Technology, Ohar, Jatwada Road, Aurangabad campus premises. We will ensure to provide you all required infra support as per proposal received by us. The confirmation details are as follows.

Workshop Dates: 13th and 14th Oct, 2016

Technology: Automobile IC engine Design and Mechanism

We are also nominating 2 students and 1 faculty to coordinate entire event and making it successful. Details for the same are as follows.

S.No.	Name	Designation	Contact No.	Email ID
1.	Prof. Shaikh Abdul Haseeb	Faculty	9730473302	haseeb14mech@gmail.com

One Day Training Workshop on Big Data: Trends and opportunities

Cloudlytics conducted Workshop on "Big Data: Trends and opportunities" on 3rd March 2017. The objective of the Workshop was to make the students aware of big data, Working of Hadoop framework and to create awareness about opportunities related to Big Data in the current Market. The Workshop commenced with a Welcome address by Vice President of Everest Educational Society Prof. Jibrán Quadri followed by a Welcome Speech by Prof. R A Auti (HOD, CSE), The Cloudlytics Senior hadoop admin Mr.Aseem Quazi was the Speaker for this Workshop.

The guest of Honor emphasized on the various skills that the students need to develop like Knowledge, understanding of topic, presentation, communication and Subject depth.

Industrial Expert Mr. Aseem Quazi told the students that they should prefer going for Hadoop and bigdata as their career option. He also suggested the students and Professionals in the IT sector should update with Technology to keep themselves going.

Finally, Prof. R. D. Shelke our vice Principal addressed the students for being so patient and cooperative to make this workshop a success.

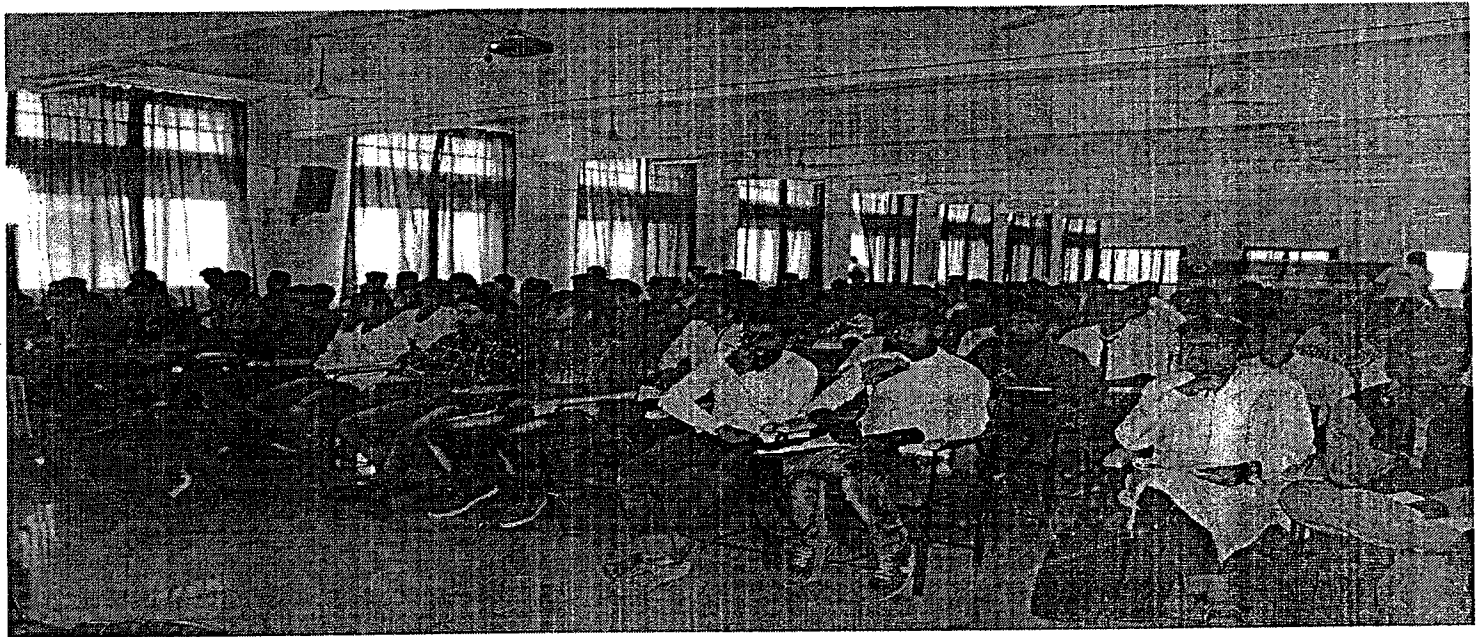

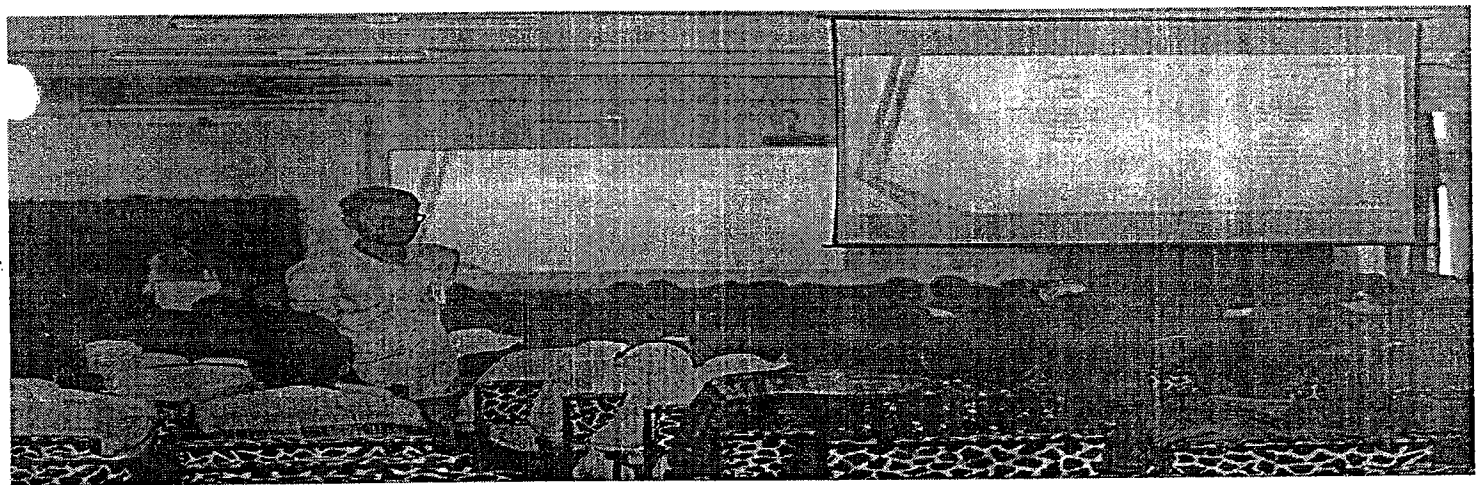

Prof. Auti R A, Prof. Patil B k, Prof. Saad Siddiqui, Prof. Shaikh Arshad & Prof. Karwande V S worked enthusiastically to make this Event Successful.

Aurangabad. 431001

Conduction Letter

We are very pleased to express that the one day workshop on “**Big Data: Trends and Technologies**” on 3 March, 2017, organised at Everest College of Engineering was successfully conducted by **Mr. Aasemuddin Quazi (Senior Hadoop Admin)**. We hope that students enjoyed the workshop and also learned about the latest trends in Big data technology which would be beneficial for their career.

It was indeed a great experience addressing young and budding minds with full enthusiasm and zeal to learn new technology. Looking forward for future prospects.

Report on A LECTURE TALK ON "3D PRINTING"

**A LECTURE TALK ON "3D PRINTING" Conducted at
EVEREST COLLEGE OF ENGINEERING & TECHNOLOGY**

A Lecture talk on "3D PRINTING" held on 11th Sept., 2017. The objective of this lecture talk was to give knowledge to students about the various techniques, Processes & applications 3D Printing Technology.

BRIEF OVERVIEW OF THE LECTURE TALK

Mr. S.G. Naghate (Director, One skill Development Solution) has given the presentation of various techniques in 3D Printing. 3D printing, also known as **additive manufacturing (AM)**, refers to processes used to create a three-dimensional object in which layers of material are formed under computer control to create an object. The term "3D printing" originally referred to a process that deposits a binder material onto a powder bed with inkjet printer heads layer by layer. More recently, the term is being used in popular vernacular to encompass a wider variety of additive manufacturing techniques. Prof. Shaikh Abdul Haseeb helped it throughout the period. The Students of Second Year, Third Year & Final Year were present during this Lecture Talk.

Seminar and Interactive session

Date of Activity held	07-03-2018
Time	10:30 AM
Type of Activity	Seminar
Resource Person	Prof.Mrs.V N Dhawas
Professional Details of Resource Person	Professor (Sinhgad Institute of Technology, Lonavala, Pune)
Year / Class	UG and PG
No. of students	70
Activity In charge	Asst. Prof. V S Karvande

Description of Activity:

Seminar was organized by Computer Science & Engineering Department Dated on 7/3/2018 for UG & PG Computer Science & Engineering Department students. Seminar was started at 11:30 AM by the introduction to Increasing demand of Cloud Computing. The Seminar was delivered by Prof.Mrs.V N Dhawas (Sinhgad Institute of Technology, Lonavala, Pune) The expert session was conducted at PG Seminar Hall; Expert had also demonstrated the importance of it in industries and today's world.

Sub. :- Kind invitation as a "Guest Of Honor" for an " SEMINAR & Interactive Session" with our Computer Science & Engineering UG & PG students on "CLOUD COMPUTING", on Dtd. 7.3.2018 Time: 10.30 a.m. at Everest Education Societies Group of Institutions, Aurangabad.

Respected Sir,

Greetings from "Everest Education Societies Group of Institutions, Aurangabad".

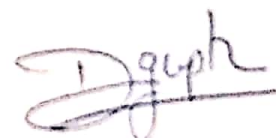

We introduce ourselves as one of the excellent academic institute imparting practical oriented, value based education in Aurangabad, having core branches as Civil, Mechanical, Electrical and Computer Science and Engineering. Excellent infrastructural facilities, well equipped workshop, laboratories and state of the art library, experienced and devoted staff...these are few of ours salient features. Industry-institute coordination is the need of hour to make every buddy technocrat, competent enough to cope up with this fast changing era. We are committed to impart the skills to match with the new technological evolution and growing demands of the industry.

We are eagerly waiting for your courtesy, support and sharing your valuable time with us with reference to the above subject matter it gives an immense pleasure and excellent opportunity for young engineers if you kindly conduct lecture on 7.3.18 in between 10:30 am to 5:30 pm on above topic for our students (PG & UG) from "Computer Science and Engineering".

Thanks with best regards

Seminar Report on Design your Engineering

The programme was held on 19th September, 2017. The objective of this program was to guide and aware the students about the different evolving software's used in civil engineering field.

The event was successfully managed by Prof. Khan Junaid, HOD of Civil Engineering Department. Chief Guest on the occasion was Mr. Pawan Gholve , the director of CAD Xone. The program was conducted for the civil branch of the college for both boys and girls.

Mr. Pawan Gholve emphasized on development of technical software's taking place that the students need to learn software's and new trends taking place in the civil field. He also said that the students need to be passionate in all their endeavors.

A small question answer session round was arranged for the students to allow them to know their weaknesses and strengths.

The entire faculty of Civil Engineering department gave their full support and work enthusiastically to make this programme successful.

Special thanks to Prof. M. V. Kulkarni, the Principal of Everest Engineering College for allowing us to conduct the program and giving an opportunity to the students to stand and to meet the global environment.

EDUCATIONAL PROPOSAL

TO,

The Principal,

EVEREST ENGINEERING College,

Aurangabad,

Maharashtra State ,INDIA.

SUBJECT- Permission for conducting seminar on the subject
"DESIGN YOUR ENGINEERING" in College.

Respected Sir,

Myself Er. Pawan B. Gholve DIRECTOR of CAD XONE (Autodesk Authorized Training Centre), Quadro 3D Zone & Aarvi Construction. We are interested in giving seminar on "Design Your Engineering" to the students of your college, for their skill development by getting trained in Professional Engineering Drawing & Design which will help them to compete with the current market status in the field of construction & Manufacturing industry, so our firm is trying its best to create the professional engineers from your college. The seminar we are interested to give to students we request administration to allow us College As well as Hostel Premises to be held so that students may interact with us freely & properly and we can solve their problems or query personally.

Further I had mentioned Company Profile ,Market Status& Requirement.

Thank you for time & consideration.

Yours Sincerely

DIRECTOR

CAD XONE

Er.Pawan B.GHOLVE

"Expert talk on High Voltage Equipments and its Testing"

Date of Activity held	23 rd March, 2018
Time	11:00 AM
Type of Activity	Expert talk
Resource Person	Mr. Gaurav Joshi
Professional Details of Resource Person	Staff from Siemens India Energy Management.
Year / Class	Second Year(SE), Third Year (TE) and Final Year (BE)
No. of students	120
Activity In charge	Asst. Professor Sanket Zanwar

Description of Activity:

The Program was started at 11:00 O'clock by Mr. Gaurav Joshi who gave a brief introduction to students about High Voltage Equipment. He then highlighted the students about how to the testing of High Voltage Equipment is to be done. He also highlighted methods and procedure to be done for various High Voltage Equipment testing. Students from SE, TE and BE found the session quite interesting and Mr. Gaurav Joshi also helped students in clearing their doubts during the question answer session. The program was concluded by vote of thanks by Asst. Professor Mujeeb Pathan.
