PLASTIC BAN POLICY

Objective:

The primary objective of this policy is to minimize environmental impact and promote sustainability by prohibiting the use of single-use plastic items within the premises of Everest College of Engineering & Technology (ECOE&T), Ohar, Aurangabad.

Scope:

This policy applies to all students, faculty, staff, and visitors within the ECOE&T campus.

Policy Guidelines

Prohibited Items:

- Single-use plastic bottles
- Plastic straws
- Plastic bags
- Plastic cutlery and plates
- Styrofoam containers

Alternative Materials:

- Encourage the use of reusable water bottles.
- Replace plastic cutlery and plates with biodegradable or compostable alternatives.
- Provide water stations for refilling reusable bottles.
- Promote the use of cloth or paper bags instead of plastic bags.

Awareness and Education:

- Conduct awareness campaigns to educate the college community about the environmental impact of plastic usage.
- Organize workshops and seminars on sustainable living practices.
- Display informative posters in key locations around the campus.

Collaboration with Vendors:

- Collaborate with on-campus vendors to eliminate the use of single-use plastic items.
- Encourage vendors to use eco-friendly packaging alternatives.

Waste Management:

- Implement proper waste segregation practices.
- Provide designated bins for recyclables and compostable materials.
- Work towards reducing overall waste generation.

Enforcement and Monitoring:

- Establish a monitoring committee to oversee the implementation of the plastic ban.
- Conduct regular inspections to ensure compliance with the policy.
- Implement appropriate disciplinary measures for violators.

Reporting and Feedback:

- Establish a reporting system for any non-compliance or issues related to the plastic ban.
- Encourage the college community to provide feedback and suggestions for improvement.

Periodic Review:

- Conduct periodic reviews of the policy to assess its effectiveness.
- Modify the policy as needed based on feedback and changing circumstances.

Implementation:

All members of the ECOE&T community are expected to comply with this policy, and non-compliance may result in disciplinary action.
