## Policy on E-Governance

E-Governance policy of an institution is for the purpose of enhancing the system of governance for development of institute through new and advanced technologies. Keeping in view the need of the day EESGOI has designed an e-governance policy with the primary objective of implementing e-governance in various operations, transactions and services of the institution for better efficiency, transparency and accountability. This policy shall apply to the administration, finance & account, student admission and support, examination and many such sections of the institute.

### Following are the Objectives of the E-Governance Policy:

- Implementation of E-Governance in effective functioning of the institution.
- EESGOI encourages to improve transparency and accountability.
- EESGOI encourages facilitate easy access to the information and to maintain the data on a secure environment.
- EESGOI encourages to implement automation in library facility.
- EESGOI encourages to provide e-facilities to students in various activities relating to the institutions.

### Future Perspective of E-Governance Policy:

- In order to provide simpler and efficient system of governance within the institution, it is decided to adopt and implement e-governance in maximum activities of our functioning.
- The institution has already started with e-governance in some aspects of functioning like library, accounts, etc. But now we have resolved to implement e-governance in many more areas and with this aim in view we have drafted this policy framework.

### Review and Monitoring

The college will regularly monitor and report on the implementation of this policy to track progress and identify areas for improvement
